

A Social Ministry of the ELCA

Masters or Doctorate level therapists who serve with dedication and skill to grow relationships and heal mind, body, and spirit.

We are a group of skilled therapists who are dedicated to bringing hope and healing to individuals, couples, and families in the Church and in the broader community. We seek to be an extension of the healing and reconciling mission of Christ through counseling, education, training, and consultation.

We offer a variety of approaches to individual, couple, and family counseling that is evidence-based and spiritually supportive. Most therapists are professionally trained in both psychology and theology and all our therapists are skilled in integration of spirituality and counseling.

Through therapy and educational services, we serve over 8,000 individuals in churches and communities across the greater Puget Sound every year. We provide individual therapy for areas of life that cannot always be addressed by congregational programming, such as relationship conflict, depression, anxiety, behavioral problems, sexuality, trauma recovery and grief support. We provide excellent educational programs to support adult and family ministry, including: marriage, parenting, retirement, grief, and divorce.

Many of our clients pay a subsidized fee, adjusted according to family income. This is made possible by the generous donations of the churches we serve. We value professional practices that enable clients to access our ministry easily, through our network of referral sources, and through our varied schedules, multiple locations, and adjusted fee schedule. All of our therapists accept insurance.
